

MONDAY 28TH DECEMBER 2020

Hello All,

I have been asked to update members with the following information with regard to our Contact Tracing Register & Mobile Phone App Registration at the Club.

Just a reminder that it is still necessary to Register your presence at the Club or on the Course if you are not playing in a Competition. (If playing in a Comp. you are automatically registered).

We now have a QR Code displayed at the Club to enable registration via the Smartphone App. **"Check in Tas App"**

How to get and use the App :

- **Download the 'Check in Tas App' from the Google Play Store or the Apple App. Store.**
- **Register your details (required for the 1st time only).**
- **Open the App and hover your smartphone camera over the QR Code displayed at the venue.**
- If you do not have the smartphone app, please complete the paper Contact Tracing Register

Happy Golfing.
